

Equestrian Events at Lord Creek Farm 2017 Sponsorship

MOUNTED GAMES RIDE & LYME HUNTER PACE

Proceeds from these two events will support Lyme Trail Association, High Hopes Therapeutic Riding, Inc. and the Connecticut Valley Pony Club.

Here is an opportunity for your message and company name to be seen by equestrians, family and friends from all over the region by sponsoring this year's activities at Lord Creek Farm. Our first event, taking place on June 17th (rain date June 18th), **Mounted Games Ride**, combines a trail ride with a partner and competition at six mounted games at stations throughout the property. The **Lyme Hunter Pace**, taking place on September 24th, is a cross-country ride with a partner over a marked and timed course up to 9 miles in length.

The **Lyme Trail Association** is dedicated to the maintenance, stewardship and enjoyment of trails in Lyme and the surrounding area. We support a community of horseback riders and non-riders who appreciate the rural character of Southeastern Connecticut and understand the importance of preserving the area's rustic nature.

High Hopes has been in operation since 1974 and annually serves over 1500 individuals, ages 3 through 80 and is one of the oldest and largest therapeutic riding centers in the United States. Its mission is to improve the lives of people with cognitive, physical and emotional disabilities through the benefits of therapeutic horseback riding and other equine assisted activities.

The Connecticut Valley Pony Club, a member of the United States Pony Club, provides an educational program for children and young adults up to 25 years of age. It teaches riding, mounted sports, and the care of horses and ponies, thereby developing responsibility, leadership, and self-confidence.

Please review the sponsorship opportunities on the following page for ways you can support equestrian events at Lord Creek Farm. By doing so, you will make a tremendous difference in the lives of children and adults throughout our community. Please visit LymeTrailAssociation.org for more information about the event.
